

# TOP 4 BASKETBALL TRICKS

Mastering tricks like the crossover dribble and spin move can significantly enhance your ball-handling skills.

## DRIBBLE

To dribble effectively, keep your head up, use your fingertips, and stay low to maintain control and agility

## SHOOTING

To shoot effectively, focus on aligning your elbow with the basket, and use a smooth, consistent follow-through.

## PASSING

To pass accurately, step into the pass, keep your eyes on your target, and snap your wrists for a crisp release.

## BLOCKING

To block a shot, time your jump well, keep your hands up, and aim to meet the ball at its highest point.
